Work Experience

Microsoft / UX Design Intern

May 2018 - July 2018

The work involved creating engaging visualization by geospatial and circular bar charts for the information workers when they are visualizing data in 3D and Mixed Reality.

The Minimalists / UX Design Intern

May 2017 - July 2017

Contributed in redesigning Cogoport's(client) website to enable a simpler and seamless freight booking experience. Work involved performing market study, Brainstorming, making Information Architecture, Task flows and Wireframes.

Alcheringa / Creative Head

Mar 2017 - Jan 2018

As a lead designer of India's second largest college cultural festival, Alcheringa, my work involved leading a team of designers for the design of the visual content and its website.

Notable Design Projects

Pragati content creation platform

Aug 2018 - May 2019

The project's objective is to enable stakeholder, for instance doctors to create training module for the health workers without depending on aid from external tech assistance.

Bloom: Creating ethos for a young heritage

Jan 2018 - Apr 2018

The project aimed at designing an E-Commerce Platform to promote Handloom Industry, through a system thinking approach.
