Work Experience

Sprinklr / Product Designer

July 2019 - Ongoing

Got the opportunity to work upon multiple projects. The key one being reimagining the Sprinklr mobile experience to make mobile as a primary Growth Lever.

Microsoft / UX Design Intern

May 2018 - July 2018

The work involved creating engaging visualization by geospatial and circular bar charts for the information workers when they are visualizing data in 3D and Mixed Reality.

The Minimalists / UX Design Intern

May 2017 - July 2017

Contributed in redesigning Cogoport's(client) website to enable a seamless freight booking experience. Work involved market study, making IA, Task flows and Wireframes.

Alcheringa / Creative Head

Mar 2017 - Jan 2018

As a lead designer of India's second largest college cultural festival, Alcheringa, my work involved leading a team of designers for the design of the visual content and its website.
